Mrs. Jennie Birkbeck of Birkbeck was before the justice court Wednesday morning, charged with starting a brush fire without first obtaining a written permit from the fire warden. The complainant was Fire Warden Alfred B. Robinson of Windham. Mrs. Birkbeck pleaded guilty to the charge, but said she had meant no harm. For the past nineteen years she had lived under the same conditions, but she had never been charged with this offense. The fire warden said that the fire had caused a great deal of damage to the property of the state and had caused a great deal of trouble and expense to the fire warden. The court found Mrs. Birkbeck guilty and fined her \$100, with costs amounting to \$11.15 which was paid.

George Howells of Columbia was before the court for not having his car registered when driving in this city Monday. A membership committee of ten is to be appointed by Roland Jordan and Raymond A. Parker. Wilfred Perry, Expert Tool Maker, Tells How Sanalt Relieved Him

Suffered from Stomach for 6 Months.

Mr. Wilfred Perry of Sayville, Great Road, Rhode Island, is a young man who has spent nine years of his life at his present residence. He is an extremely skilled tool maker and his work is very trying on eyes and head as well as body. He says:

"I had been working very steadily and very hard and almost before I knew it my stomach went back on me. I became constipated, had severe headaches, suffered greatly from gas in the stomach. My blood became very weak and my liver was all out of condition so that my eyes became dull and my complexion very yellow. I suffered greatly from heartburn, my appetite was poor and I was growing almost too weak to work. I tried several remedies but none were recommended to me, but without result."

"Then a friend gave me a very little Sanalt. I could feel some effect from a few doses, so I purchased a regular bottle and then another one and by the time I had taken the two I was perfectly well. However, to be sure, I started on a third bottle, but took only a small part of it."

"My blood, stomach and all other organs were soon working right. My complexion cleared up, appetite returned and I was again perfectly fit for work or play."

"I have recommended Sanalt to a number of friends who have been helped by it and I think that everybody who has any such trouble as I had would like it."

The American Thruway team participants in the Eastern Connecticut league, will get into spring training Saturday at Recreation park. As the team will be composed of local and area players, as first string men invitations have been extended to ball players of the city to come out and show their wares. Willimantic has plenty of baseball players and should make good in the league, which will undoubtedly be a big thing in this part of the state in coming years.

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. They cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cured with a "dark brown taste," a bad breath, a dull, listless "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

Throwing a Front In Willimantic

Shortly after the Civil War the store which we occupy at the present time, was opened by James B. Baldwin as a clothing store, and continued as such until 1899, when it became known as the Davison & Fullerton Dry Goods store. During all of these years (nearly sixty) the store front and windows have remained practically unchanged.

From every point of view it would seem advisable to make an improvement in the outward appearance of our store, in order that it may be more up-to-date and attractive. Consequently we have decided on "Throwing a Front" (the old one), that we may install something modern. In a few days the carpenters will take possession, and we propose to observe this event by holding a "Throwing a Front" Sale.

Nothing will be sacrificed in the QUALITY of our merchandise (which we believe is generally recognized) but there will a generous shrinkage below the normal in prices.

JEWETT CITY
Henry Ballou was assaulted by an unknown man at a late hour Tuesday night at his garage on Green avenue. He had driven in, locked one door and started to close the other when he was struck on the head by a man. The blow did not knock him out, and the fellow took to his heels and made his getaway. Mr. Ballou was taken to Dr. J. H. McLaughlin's office, where a head scalp wound, bleeding profusely, was treated. What the assault was intended for is a mystery. If the man meant to rob Mr. Ballou, the fact that the first blow did not render him unconscious would naturally have brought another one to finish the job. Instead of that, the man ran away. Mr. Ballou knows of no enemy who was looking for revenge.
